LETTERS TO THE EDITOR

We are taking this means to express our sincere gratitude and appreciation to American Legion, Culver Post No. 42, for making it possible for us to attend Boy's State at Tuscaloosa.

This program, under your sponsorship, is probably the greatest single activity engaged in furthering Americanism and patriotism; combating communism and other subversive groups, and training the youth of America to accept their place as useful and productive citizens. No young man can participate in this program without gaining a greater insight into the ideals and workings of Democracy.

It was an inspiration to us to associate with the outstanding boys who participated in Boy's State, and the dedicated men who directed it. If it were possible for every young American to take part in such a program, there would then be no need to fear for the future of our country, and the preservation of our heritage.

We want to thank you for giving us the honor of being your representatives to Alabama Boy's State of 1960. It was an experience that we shall always treasure.

The Thrifty HOUSEWIFE KNOWS SHE PROFITS FROM ADVERTISING!

She Has Found From Experience that she fares Better When She Buys
From Those Stores Which Advertise Regularly in Newspapers!

The Wise MERCHANT KNOWS HE PROFITS FROM ADVERTISING!

No business has to advertise. An experienced ad man is the first to disagree with the oft-repeated statement that 'You have to advertise.' Because you don't. But the most successful merchants are those who advertise. Because they want to let their customers know about their latest values and they have no fear to let their competitors know the same as their customers.

There are definite rules how to use it and the first rule is to budget the advertising the same as to budget the rent, payroll, gas, lights and water. Regular advertising is the keynote. No longer is advertising for clearance sales only. Customers want to know about regular price line merchandise too.

And there must be some reason why there is more advertising done in newspapers than in any other media. In fact, there is as much advertising done in newspapers as in the next highest three media combined.

All advertising is good, some better than others!

Miss Mabel Marler Becomes Bride Of Mr. Huggins In Home Wedding

Miss Mabel Marler, of Elba, became the bride of Mr. Gerald Huggins Sunday, June 19, at 2 p.m. in the home of the bride's parents in Elba.

The ceremony was performed by the Rev. Murray L. Seay, pastor of the First Baptist Church.

The bride is the daughter of Mr. and Mrs. T. A. Huggins, Sr., of Auburn, Ala.

The music for the wedding was presented by Miss Sue Huggins, pianist and Miss Margaret Huggins, soloist.

Given in marriage by her father, the bride wore a gown of imported scalloped and embroidered tulle and plain tulle over silk satin. The length of the skirt was 45 inches. She carried a cascade arrangement of feathery carnations, lily of the valley and a detachable white orchid with lavender throat.

Miss Sara Marler served as her sister's maid of honor. She wore a white-length gown of orchid silk organza over the same shade of tulle. She carried a cascade arrangement of feathery carnations, lily of the valley and a detachable white orchid with lavender throat.

Mr. and Mrs. Huggins are at home at Avelyn Court, 110 Ave. N. E. in Winter Haven, Fla.

Miss Ruby Bruce Is Gracis Bridge Club Hostess

Mrs. Ruby Bruce was hostess to the Gracis Bridge Club at her home in Brookline Thursday, July 7.

Following the games, Mrs. Mary Ann Gibson was awarded high score prize and Mrs. Frances Hutto received low score. The hostess served a party plate to the two already named and Mrs. Jane Cash, Mrs. Pat Williams, Mrs. J. O. Brown, Mrs. Betty English, Mrs. Dorothy Whitehurst, Mrs. Pearl Meacham, Mrs. Marie Moore, Mrs. Sally Williams and Mrs. Sylvia Brown.

For safety's sake, place life-saving devices, ring buoys, ropes and long poles around the swimming areas of fun ponds.

About 85 percent of all food items are processed in food ways.

nations. Carolyn Marler, niece of the bride and Miss Parrish, cousin of the bride, lighted the candles.

The groom's best man was Willie Lee Stewart of Auburn, Ala. Ushers were Racy Mann, of Elba, cousin of the bride, and Roddy Huggins, brother of the groom.

For her daughter's wedding, Mrs. Marler wore a simple sheath dress of wild berry silk organza over de-lara featuring a belted bow in front. The groom's mother wore a sheath of rose sunset de-lara with a scalloped neckline and a duster of silk organza.

Immediately following the marriage ceremony the bride's parents were hosts at a reception in their home. Miss Ann Adams registered the guests.

Miss Theresa Black cut the cake. Assisting with serving were Miss Frances Barlow and three sisters-in-law of the bride: Mrs. Carol Marler, Mrs. Four Marler and Mrs. Wayne Marler.

For the wedding trip to Florida, the bride changed to a dress of white puffed cotton with lavender embroidered flowers styled with lavender camembert and puffed in back. Her accessories were lavender and white. The orchid from her bouquet completed her ensemble.

Mr. and Mrs. Huggins are at home at Avelyn Court, 110 Ave. N. E. in Winter Haven, Fla.

Make Little Cakes Beautiful With Sweetened Condensed Milk Frosting

Little cakes solve many refreshment and dessert problems. They are sure to be eye filling and appetizing if you use a tried frosting, like this peanut butter variety made with sweetened condensed milk. It doesn't dry out and it never "runs" and it has a fine, homemade flavor.

Have the trimmings ready to put on as soon as the frosting is spread. Halfed cherries, nut meats, chopped nuts, colored sugar, silver shot, also variety and interest to the cakes. Most of the toppings, excepting on very, very formal little cakes, can be quickly put on, but it's a good idea to have a pair of small kitchen tweezers ready to work with if necessary. You can pick up the littlest ornament from the slickest frosting with tweezers.

Peanut Butter Frosting
(Makes about 1 1/2 cups)
1 1/2 cups (15-oz. can) sweetened condensed milk
3 tablespoons cream style peanut butter
Gradually stir sweetened condensed milk into peanut butter in top of double boiler; mix well. Cook over rapidly boiling water, stirring constantly, until thick, about 15 minutes. Cool. Spread on cooled cake.

Cpl. Hattaway In Army Training Test

Army Cpl. Robert P. Hattaway, 29, son of Mrs. Ma'tie Hattaway, 39 Smith St., Lanett, Ala., recently participated with other personnel from the 7th Evacuation Hospital in Army training tests in Germany.

The tests, conducted annually under realistic combat conditions, are designed to determine unit efficiency.

Cpl. Hattaway entered the Army in 1954 and arrived overseas on this tour of duty in August 1958.

He attended New Hope High School.

By using tractors, trucks, cars, building materials, and other essential items, the farmer uses almost half as much steel as the total automotive industry.

Get the Clipper Reading Habit

Sixtieth Wedding Anniversary Observed

Mr. and Mrs. C. B. McDowell of Elba observed their Sixtieth Wedding Anniversary June 18, this year, while on a visit with their daughter, Mrs. W. J. Planch and family at Espanola, New Mexico.

Mr. and Mrs. McDowell and daughter, Mrs. Mary Newton, with whom they live in Elba, made the trip by auto to New Mexico.

Mr. McDowell was a printer on The Elba Clipper when he came here but retired from the trade ten years ago. For many years he continued to write his column "About People and Things" until forced to give it up due to failing eyesight.

"In all our travels we have failed to find any other place we liked as well as Elba," Mr. McDowell said. They found the weather hot and the people hot for Senator Johnson for president, they said.

'Eligible Voter' On Wheat Explained

Just who is eligible to vote in the July 21 referendum on 1961 wheat marketing quotas was today explained by the Chairman of the County Agricultural Stabilization and Conservation Committee.

According to Mr. Lester Gunter, any grower in a commercial wheat State who will produce more than 15 acres of wheat as grain in 1959 will be eligible to cast a ballot in the quota vote.

Growers who will have smaller wheat acreages in 1961 and those who are taking part in the feed wheat program are not eligible to vote, since the wheat from such farms would not be subject to marketing penalties under a quota program.

SAFE AT HOME!

DON'T STORE LARGE QUANTITIES OF GASOLINE—ONLY ENOUGH FOR IMMEDIATE NEEDS. AND KEEP IT IN THE GARAGE OR OUTBUILDING... IN A SAFETY GASOLINE CAN!

What is it about fishing that appeals to so many men? Is it the tang of the out-of-doors, the salt spray, the play of the reel—or is it a part of that age-old challenge of pitting oneself against the forces of nature?

Probably, it is mostly the challenge, for man is forever excited by a dare. Yet, while life is full of challenges, all of them are not fun. When it comes to meeting the greater tests successfully, you need a lot more than a fishing pole. Then it is that Faith comes into its own; then it is that the teachings of the Church are put into practice.

Don't walk by your church next Sunday—walk into it. Equip yourself for your own spiritual future now.
